

7 Nights Classic Vietnam

📌 Package Description:

Vietnam is a captivating sensory explosion where thousands of towering limestone islands rise dramatically from the emerald waters of Ha Long Bay, and mist-shrouded rice terraces cascade down the mountains of Sa Pa. From the historic, narrow streets of Hanoi buzzing with rich coffee culture to the high-energy, skyscraper-lined boulevards of Ho Chi Minh City, this dynamic country effortlessly balances timeless heritage with modern momentum. Every evening, the ancient riverside town of Hoi An lights up with thousands of glowing silk lanterns, while the bustling waterways of the Mekong Delta come alive with floating markets. Tying this entire incredible landscape together is its world-famous culinary scene, offering travelers unforgettable flavors through aromatic bowls of steaming pho and crunchy, street-side banh mi baguettes.
